

Individual Project Report

"Wheels Of Learning" Bikes as a learning tool

Project Description

1. Describe the project. What was done, when, and where did the project activities take place? Wheels of Learning was an incentive program in four Harlingen area grade schools. The purpose was it increase attendance, raise test scores, and promote good citizenship. The schools chosen were Dishman Elementary, Jefferson Elementary, Ben Milam Elementary, and Wilson Elementary. Bicycle Raffles were held throughout the school year with a total of 80 bikes given away.

2. How many people benefited from this project? 80 Children from lower income areas of the city, plus teachers and administrators benefited from this project

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? The Children, who were given another reason to go to school every day, who learned to apply themselves to study, and learned the joy in helping others.

4. How many Rotarians participated in this project? approximately 20

5. What did they do? Please give at least two examples, not including financial support provided to the project. 20 were involved in fundraising. 4 in a bike assembly party with our Interact Club, 6 helped deliver bicycles to the schools

6. If a cooperating organization was involved, what was its role? Harlingen C.I.S.D. helped us choose the schools and helped us implement the program with the schools.
