

Individual Project Report

West Alice Youth Center Exterior Improvements

Project Description

1. Describe the project. What was done, when, and where did the project activities take place?

On Aug. 18, 2018, Adam's plumbing installed a water cooler drinking fountain at the West Alice Youth Center. On Feb. 23, 2019, Aguirre Construction installed 345 feet of chain link fencing with 2 sliding gates at the West Alice Youth Center

2. How many people benefited from this project?

The West Alice Youth Center serves approximately 100 kids.

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

Neighborhood kids have benefitted from these projects. The children now have a safer place to play outside and clean, sanitary, cold drinking water.

4. How many Rotarians participated in this project?

3 to 4

5. What did they do? Please give at least two examples, not including financial support provided to the project.

Rotarians obtained multiple bids for both projects. Quality control on fence.

6. If a cooperating organization was involved, what was its role? n/a
