

Individual Project Report

Corpus Christi Swim Lessons

Project Description

1. Describe the project. What was done, when, and where did the project activities take place? Unfortunately due to COVID19, the schools here in Corpus Christi were closed so we were unable to complete the full swim program.

2. How many people benefited from this project?

We had 42 students from George Evans and Metro Elementary complete 3 weeks of the 6-week program

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met?

42 Students from George Evans and Metro Elementary

How many Rotarians participated in this project?

12 Rotarians 2 had direct involvement with the project coordinating the swim instructors and the schools the other 10 were instrumental in raising funds for the club's financial commitment to the project.

5. What did they do? Please give at least two examples, not including financial support provided to the project.

2 members had direct responsibility to coordinate with the 2 Elementary schools and the Swim Instructors They also attempted to engage a transportation company here locally for the logistics

6. If a cooperating organization was involved, what was its role?
