

# Individual Project Report

## Reading and Playing Los Altos Quetzaltenango Project

---

### Project Description

1. Describe the project. What was done, when, and where did the project activities take place? The project provided 2 schools with the appropriate infrastructure to aid in teaching kids the habit of reading and to improve their playground. At Figueroa Elementary School they installed a false ceiling and added lamps, painted walls, bought benches, tables, bookshelves and a blackboard. In addition, windows were added to the property. The Rotaract Club took up a book collection to fill the new library. At Cojulum Kindergarden we painted and repaired the playground, as well as, bought bookshelves to add to their library. Increasing the students reading habits will improve their vocabulary and language skills, plus develop their imagination and ability to show empathy. The new playground will allow kids to play without risk of injury.

2. How many people benefited from this project? There are 520 kids at Figueroa and 200 students at Cojulum. Plus 25 teachers.

3. Who were the beneficiaries, how were they impacted by this project, and what humanitarian need was met? Students at these 2 schools are now able to enjoy learning through reading and playing in their new and updated facilities.

4. How many Rotarians participated in this project? Laredo Gateway - 1; Los Altos Quetzaltenango - 3 and Rotaract - 2

5. What did they do? Please give at least two examples, not including financial support provided to the project. Guatemalan Rotary Club: Fund Management, Painting Delivery, Monitoring and Coordinating work at both schools. Rotaract Club: Collected books to donate to new library.

6. If a cooperating organization was involved, what was its role? The Principals at both schools were very cooperative and assisted tremendously in completing these projects.
